WHY IS IT A GREAT IDEA TO PARTICIPATE IN A 30/60/90-DAY BURST?

("When is NOW a Good Time To Make A Substantial Difference in Your Life.")

- I. **"Success loves speed,"** so if you're interesting in launching your business for success and / or boosting your existing business for further immediate & long-term growth, then there's no time like the present.
- II. You'll be participating with a solid team of leaders and like-minded Associates who want to see you succeed & are there to support you, help to keep you accountable and provide solid advice along your 90-Day journey.
- III. **"If not now, then when?"** If you truly desire to have a successful global ASEA business then this plan takes working ASEA as a hobby to working it as a professional, by giving it the times it needs and deserves.
- IV. You'll sharpen your leadership skills and duplicate success quickly through your organization by strategically working your names list and supporting the growth of new leaders across your team.
